AFTERCARE

COSMETICTEAM.COM.AU

DAYS 1-7

- + Avoid eating for 3 hours post procedure.
- + Apply stratamed each morning and night.
- + Avoid spicy and acidic food.
- + Do not pull at any flaking skin.
- + Do not wet the area for at least 3 days.
- + Avoid smoking and alcohol for 3 days.

THINGS TO REMEMBER

- + Colour will be 50-70% darker in colour then when healed.
- + Lips will get extremely flakey/patchy. Remember not to pick at the skin and that it will only last a couple of days.
- + Avoid toothpastes that claim to whiten teeth. Stick to basic toothpastes.
